Dear Ms. McCartney:

This is to advise that I responded on 7/22/88 to the letter from Bruce P. Smith dated 7/8/88.

In response to your letter of 8/12/88, I wish to advise that I do not yet know what position I will take re participating in the actions proposed.

After the minutes of the earlier meeting held with scrap metal processors have been furnished to me, and after I attend the meeting that Smith's letter proposes, I will be able to make a decision.

Yours truly,

Stanley J. Asrael
